

KYOTO JACKET

KPX-1 | KPX-1W

The hard-faced waffle-backed fabric used in the Kyoto Jacket traps pockets of warm air on the interior side. It provides an advanced stretch technology that allows for a superior range of motion and enhanced breathability, while also remaining water resistant. This adaptable piece can double as a performance training top or a technical layering shell - ideal for a casual athletic look at work or any hike in the local mountains.
