Style	System Hi Vis Eco Insulated Coverall	Style Code	SYS402
Style Description			
The System Hi-Vis Eco Insulated Yellow/Navy Coverall combines full-body weather protection, high-visibility safety, and eco-minded construction for workers tackling cold, wet, and demanding outdoor jobs. Built from 100% GRS-certified recycled polyester with a rugged waterproof outer. The System Insulated Yellow/Navy coverall delivers reliable warmth, excellent durability, and practical utility across construction, utilities, logistics, and industrial sites. Designed to keep wearers dry and comfortable in prolonged exposure to rain, wind, and low temperatures, it uses a fully insulated body, taped seams, and a removable hood for flexible, all-weather coverage. Reflective detailing and heat-applied tape boost visibility from multiple angles, helping meet critical safety needs on busy worksites. Smart storage, kneepad readiness, and adjustable fit features make it genuinely work-ready, not just weather-proof.
